

AdvisorFlex™ Blog Integration Instructions

Adding your blog feed to LinkedIn

1. Login to [LinkedIn](#)
2. Click **Edit My Profile**
3. Click "**Websites**"
4. Click **[Edit]** (*next to Additional Information*)
5. Next to Websites, choose an available drop down (select **My Blog**)
6. Paste in your **Blog URL** (*usually <http://www.mysite.com/blog.html>*)
7. Click **Save Changes**
8. Next (in Edit Profile), Click **+ Add Application** (*half way down*)
9. Choose "**Blog Link**"
10. Click **Install Application**

Adding your blog feed to FaceBook

1. Login to [FaceBook](#)
2. Click the **Profile** at the top
3. In the **Notes** box (*on the left*), click **See All**.
4. In the **Notes Settings** box (*on the right*), click **Edit import settings >>**
5. **Paste** your Blog URL (*usually <http://www.mysite.com/blog.html>*) into the field and click **Start Importing**.

Adding FeedBurner Email Subscriptions to your blog

1. Login to [FeedBurner](#)
 - a. Claim your feed (if you haven't already)
 - i. Open your Blog in a new browser tab
 - ii. Click the  RSS Feed icon in your browser toolbar
 - iii. Copy your feed URL (*ie. <http://www.mysite.com/blog.feed?type=rss>*)
 - iv. Paste it in the Claim Your Feed field in Feedburner
2. Select your feed
3. Navigate to the Publicize tab
4. Select "Email Subscriptions"
5. Go through the steps to get your HTML form code.
6. Send the code to MIAGD, so the signup form can be added to your site.
