Ron Sadoff Again Named to Barron's Top 100 Independent Advisor List

Milwaukee, WI — For the fourth time, Ronald Sadoff, founder of Sadoff Investment Management LLC in Milwaukee, Wisconsin, was recognized as one of America's Top 100 Independent Financial Advisors by Barron's, the nation's premier financial weekly. In the five year existence of the list, Sadoff is the only advisor ever selected from Wisconsin. The list was released in the August 29 edition.

"I am proud not only for the national recognition I have received but for the leadership my sons, Bryan and Michael, have shown taking over the firm. I started the business over thirty years ago in my basement and it has grown to be nationally recognized with approximately \$600 million under management."

Sadoff Investment Management is a family-owned, fee-based, independent investment advisory firm that has been in business since 1978. The firm has clients nationwide with over forty percent of clients living outside Wisconsin. Sadoff manages a variety of accounts including individual funds, trusts, retirement plans, corporations, foundations and partnerships.
